

Duncanville Project Graduation, Inc. *P.O. Box 381364 Duncanville, Texas 75138*

As you consider your marketing and advertising donations for the budget year 2011 it is our hope that you consider this worthwhile project.

Project Graduation is a drug and alcohol free lockout celebration that is held each year on graduation night. Our objective is to give our graduates a safe and fun place to go after their graduation ceremony and one last chance to be together as a class. Last year we had over 500 students attend. Graduates were treated to food and games like mechanical bull riding, dancing head, Vegas card tables. We gave away 400 gifts ranging from MP3 players, bikes, mini refrigerators, TVs, travel bags cash and gift cards. We have had approximately 10,500 students safe on graduation night since the first Project Graduation 23 years ago. This year the event will be held on Thursday, June 2nd, 2011 at 11pm until Friday June 3rd at 5:00am.

Please take a moment to think about how you can help make this year's Project Graduation a huge success. A donor poster with your company name will be placed at the event so all will know of your generosity. All donations of cash or door prizes valued at 100.00 dollars or more will be listed on the back of our Project Graduation t-shirt and is included with each ticket sold, if donation is received by April 18th, 2011. All contributions will be listed on the website at: www.duncanvilleprojectgraduation.org

Donations may be sent to:

Financial contributions of any kind and any amount are welcome.

This event would not be possible without community and corporate support sponsorships. We all need to work together to show our graduates how much they mean to us and to keep them safe on a night when the urge to celebrate in other ways is overwhelming.

If you would like information on specific sponsorships for Project Graduation please contact Dixie Sedgwick at dixie@dixieleesedgwick.com or Brandon Sturman at brandonsturman@sbcglobal.net

On behalf of Duncanville Project Graduation and the Duncanville High School Senior Class of 2011, the Project Graduation Board would like to thank you all in advance for any consideration you might give to this outstanding program.
